German	<i>B1/B2</i>

## PROFILE

I'm a junior Software Tester with strong attention to details. I believe that my relevant experience as an auditor gives me quality assurance skills. Currently, I'm focussed on extending my Functional testing skills and I'm interested in learning and implementation Automated Testing Skills. My priority goal is to obtain a position in a company that offers a variety of challenging projects with growth potential in terms of individual and professional development.

# Alina Zubova

## Manual Software Tester
